Go Blue Day! Friday, April 18, 2014

April is National Child Abuse Prevention Month and the wearing of blue started in 1989 by a grandmother in Virginia whose grandson died as a result of child abuse. Child abuse is a community problem. On behalf of the child abuse survivors in our community, please join us in wearing blue this month and let others know that although child abuse is still a big problem in our nation, it is preventable through education and training! Call us for more information 565-8155.

Darkness to Light: Steward of Children Training April 22nd, 5:30—7:30. For more information call us at 565-8155 or check out our facebook page, https://www.facebook.com/FCCAC.
